

August 5, 2009

At 2:00 p.m. in the EMA Conference Room, the bids for EWP Project Site # COF-09-012 on CR727 were opened.

Those in attendance: Chairman Jim Thompson, Commissioner Kim Ellis, County Engineer Randy Tindell, Assistant Engineer Marty Lentz, County Administrator Kathy Lolley, and representatives from each bidder.

The bidders and quotes are as follows:

APAC/Couch, Inc.	\$376,550.00
Wiregrass Construction	308,487.50
W. S. Newell, Inc.	156,925.00
Amsher, Inc.	259,650.00

Due to vast differences between the quotes, recalculations were made by Marty Lentz. Upon recommendations from the County Engineer, Chairman Thompson awarded to W. S. Newell, Inc., being the low bidder.
